

LBS II

DIN 02148250, 100 capsules, Stock No. 994-0

LBS II is an excellent synergistic formula designed to nutritionally support the intestinal system. It is a colon stimulant, also referred to as a lower bowel-cleansing formula.

LBS II contains a blend of herbs which stimulate the production of digestive fluids and bile to promote peristaltic action in the colon.

Did you know?

Intestinal health is fundamental to the overall good health of the body. Ideally, people should have an adequate bowel movement once a day, but many years on of highly refined Western diet may have made that goal impossible for many.

A high-fibre diet and more liquids with herbal aids will stimulate regularity. Walking daily strengthens abdominal muscles and promotes healthy intestinal function.

NSP Advantage

100 capsules. Herbal laxative combination.

Ingredients: 205 mg of cascara sagrada bark, 84 mg buckthorn bark, 72 mg of licorice root, and 12 mg of turkey rhubarb root in a base containing ginger root, capsicum fruit, couch grass herb, oregon grape root, and red clover tops. Contains naturally-occurring amounts of calcium, fiber, phosphorus and sodium.

Recommendation: Take one capsule three times daily with a meal.

CAUTION: Do not consume Oregon Grape during pregnancy or while nursing.

Health Benefits

- Traditional Herbal Laxative.
- Helps fight constipation.
