

Essential Oil (Singles)

Red Mandarin, Stock No. 3897-4

Mandarin essential oil, like other quality citrus essential oils, is obtained by cold expression of the peel of the fruit. The resulting oil is almost red in colour and has a sweet, almost pungent citrus aroma.

Blending note: Top.

Mixes well with: Bergamot, cinnamon, clove, lavender, sandalwood, neroli.

Did you know?

Mandarin fruit is similar to the tangerine with orange, as opposed to yellow, flesh. The fruit grows on a small evergreen tree with deep green, glossy leaves. The essential oil's actions are gentle, and it is a favorite for children's complaints. It is mildly sedating, and is helpful for restlessness, stress, shock, and hiccups.

NSP Advantage

Pure essential oil. 5 mL

Ingredient: 100% pure organic *Citrus reticulata* oil.

Suggested dilutions: For external use only. Dilute before applying topically. Suggested dilutions: For a 1% dilution, mix 3 drops in one Tablespoon (15 mL) of NSP Massage Oil; for a 2% dilution, use 7 drops; for a 4% dilution, use 15 drops.

1% dilution is for children and the elderly
