

TNT (Total Nutrition Today)

DIN pending, 532 g powdered drink mix, Stock No. 4300-5

TNT (TOTAL NUTRITION TODAY) is an explosion of energy and nutrition. In a time when quick pace and junk foods have become synonymous with our Western lifestyle, Nature's Sunshine has designed a unique nutritional beverage for the daily needs of every member of the family. Not only is TNT nutritious, it is tasty and delicious with its orange creme flavour. Stir it and drink it! Add TNT to your drinks, shakes, popsicles, etc. It's a delight any way and anytime you use it!

Each serving of TNT provides high amounts of soluble fibre, vitamins, minerals, antioxidants, and other nutrients essential to good health.

Did you know?

TNT can be used as part of a dietary program. The combination of TNT and SynerProtein powder provides a full spectrum of nutrients and protein especially useful for those who are counting calories and watching their weight.
